

# Barbering

apprenticeships

An apprenticeship in Barbering will give you a wide range of skills that are essential in today's modern salons.

**skills for** the hairdressing industry

The Barbering apprenticeship programme will cover:

- » Health and safety
- » Consultation with clients
- » Shampoo and condition the hair and scalp
- » Cut facial hair into shape
- » Cut hair using Barbering techniques
- » Dry hair into shape
- » Change hair colour
- » Provide scalp massage

The Barbering Apprenticeship is available at the two centres below.

Call us for more information.

## What qualifications do I need to do the Barbering apprenticeship?

Learners will ideally need to have some previous hair salon experience.

## How is the Barbering apprenticeship assessed?

The apprenticeship is assessed by a range of methods, including practical assessments, assignments and online tests.

## Which qualifications will I be awarded if I successfully complete the Barbering apprenticeship?

An NVQ Level 2 in Barbering. You will also have the opportunity to complete your Key Skills Certificate.

## What will I be able to go on to do after I've completed my apprenticeship?

On successful completion of your Level 2 in Barbering you can go on to do the NVQ Level 3 in Hairdressing. Advice on opportunities for further study will be provided during your course.

## What are the career opportunities?

NVQ Level 2 in Barbering can lead to a career in a Barber's shop, hairdressing salon or similar establishments. Specialist careers advice will be available from our Hairdressing Team throughout your course.
